Words:

Since I'm in Christ, I have everything I need.
For in Christ, God has everything He needs!
All God's righteous claims on the cross were met.
I now stand in Christ complete.
I now rest in God's own rest… in Christ.

Since I have died, Christ alone is who I need.
Christ in me is my life, my everything.
Christ Whose gone above is my Identity.
I am free from being me!
What a rest, this settled rest… in Christ!

Since I have Christ, man's religion fills no need;
Fleshly life cannot offer anything.
Christ's my Life above, the Object of my mind;
He's the living Head, my Guide.
I will rest where God gives rest… in Christ.

Since I am full, there is nothing that I need.
Christ is all, "He's enough" I love to sing!
Once I'd lust and lie and fight to get for me;
Now forgiveness, love and peace!
What a rest: I'm free to bless! In Christ.
